

Notes on invitation letter

Please be noted that an invitation letter will be provided upon request for those who have registered for the symposium.

Once you have paid the registration fee or submitted the abstract for a presentation, you may contact the organizing committee via email sess_workshop@tju.edu.cn to request an invitation letter. Please include your full name, relevant information about your institution, passport information (if necessary), the title of the abstract submission (if applicable) and the specific reason you need the letter. The attached proof of registration may expedite the process and ensure your request is handled efficiently without unnecessary delays.

If you need an invitation letter to obtain a visa, please make clear the visa requirements so that we can prepare a letter that meets these requirements.

If all the information the organizers of the conference receive is correct, an **Official Letter of Invitation to the conference** will be issued in one week.
